Robert Bosch Car Multimedia GmbH
Friday, February 8, 2019, 12.45–4.00 pm

Topic
Take a peek behind the scenes of Robert Bosch GmbH: Insights into the company and networking opportunities

Company
The Bosch Group is a leading global supplier of technology and services. It employs roughly 402,000 associates worldwide (as of December 31, 2017). The company generated sales of 78.1 billion euros in 2017. Its operations are divided into four business sectors: Mobility Solutions, Industrial Technology, Consumer Goods, and Energy and Building Technology. The Bosch Group’s strategic objective is to deliver innovations for a connected life.

As operating unit of the Bosch Group, Robert Bosch Car Multimedia develops intelligent, user-oriented solutions to integrate entertainment, navigation, telematics and driver assistance functions in OE business. It uses its strengths in system integration to further expand its leadership in this area. At the Hildesheim site, the focus is on managing the business area as well as on development, sales, marketing and commercial tasks.
